><p>"Hello everyone! Welcome to your favorite show HOW DEMIGODS WOULD REACT! Today on the show we have Percy, Annabeth, Nico ,and Thalia here with us!"<p>

"Hello!"said the most sensible demigod who actually acted her age on the tv show, Annabeth. don't tell me you though Thalia! I mean sure she joined the hunters and is practically 25 but no!

"Hey guys! what's up? Why can't we do this near the beach and not in the strawberry field? I mean Grover is trying to murder the plants with his reed pipesâ€¦. oh sorry! I mean help them grow! Oh tell me this wasn't on recording!"

"Yup Percy you have someone to deal with after this."

"Sugar honey ice tea!"

"Yo! Guys how's life? And what was that kelp head?" asked you know Thalia(ok I was going to say something funny but electric shock- my friend- not good.)

"On my mother told me to mind my language soâ€¦"

"Oh you mean shit. That's what I feel right now I can't believe I agreed to be a part of this!" Said Nico. Ok I am not going to say anything funny. Oh no it's not because I am afraid of him. What! not lying. Ok I give up you know me too well!

"So smart Percy!" Said Annabeth

"Oh thank you smart pants you see I have brain-

-full of sea weed"

"Oh yo-

"Hey guys cool it! We have it recording!" said I. No matter how much I love looking at them when they argue I have business to do! What money can't buy me happiness but it pays for my living and ice-cream!

Hunh ok I hate my POV's I mean you can't think independently without fearing to get soaked or get struck with a lightning or maybe had a judo flip performed on you or maybe been attacked by zombie or ok you get why I hate it!

"so today my friends we will find out what our demigods here think about-DIET FOOD!"

"HATE IT! I can't even color the boiled veggies blue!" said Percy making a face.

"Wow today it will be fun! I can use all my bad thoughts without getting hit!" said Nico, rubbing his hands.

"I would blast the person who invented the idea of this diet food!" groaned Thalia.

"I am with you in this Thals I mean why would anybody torture himself or herself. Ok you wanna be fit do double workout but dieting I strongly do not recommend it!'' said Percy.

"oh come-on! you guys are just over reacting. i mean diet food is good for health, you know light but keeps your body in check"

"ANNABETH! how could you?" said Percy the drama queen gasping like a fish.

"what Percy! green veggies ,porridge, oats, barley ,no fat products ,pulses an-

"Stop it! you know what next time we come back from a fight you'll only get your diet food to eat!" said Nico smiling at her in a sarcastic way.

"And you are right Percy! Will can you bring the four trays filled with diet food" I called out for Will the co-producer/camera man/director/help boy.

"WHAT no I am not going to eat it!"said Thalia glaring at me. But you remember I had business to do so I fought back.

" you signed the contract Thals"

"Oh I though TV would be fun not torture."

"Oh please next time I'll bring green day with me."

"Promise?" asked Thalia with her eyes shining.

"On every river in the underworld â€“now here Will thank you-so here demigods we have got you to eat-sorry we don't have much but

1. Oats

2. Boiled broccoli

3. Boiled Bottle gourd

4. Bitter gourd juice

"oh man ill eat mud anytime that too from the underworld"said Nico glaring at his tray.

" I will never eat it!" said Thalia making a face.

"But see the juice matches your face you would like it definitely" said Percy

"Oh and broccoli resembles your dirty hair"

"Stop you two!" literally if I have to shout like this I'll lose my voice till the end of this episode.

"Tell him to stop who is acting like a 5yr old." Said by the one who was herself acting like a 5 yrs old-Go Figure.

"Thalia stop complaining-" said Annabeth reaching for her boiled broccoli.

-"she knows what right" said Percy smiling.

"oh this broccoli is really good!" said Annabeth tasting her meal.

"Oh forget about knowing what's right" said Percy with a disgusted face. As if Annabeth had personally offended him.

"They are not even blue I am never eating this never!"

"They are a bad combination for us demigods you know-like-like-Thalia

was thinking of the word when suddenly drew came by

"like periods and lose motions yea!" said drew and walked away.

.

.

.

"what does that even mean but lose motions and noodles yeah" said nico

suddenly annabeth threw up-"YOU GUYS STOP TALKING THIS DIRT OK I AM TRYING TO EAT!"

"yeah that's gross"said thalia with mischief in her eyes. she picked up the glass of juice and threw at nico's face.

"oh you are so going to get it" said nico and threw oats at her which by mistake caught percy's face.

and that's how the episode is going to end in food war and Will looking after annabeth still pale,

"TILL THEN BYE GUYS WE'LL BE BACK NEXT WEEK WITH THIS NEW EPISODE OF HO-

i was shut by a broccoli being stuffed in my mouth.
